2024 STEWARDSHIP APPEAL

CHERISHING OUR YOUTH

Servant of Christ Lutheran Church

At Servant of Christ, we cherish our youth. They build meaningful relationships through our 400 hours of social and service events focused on them every year.

THE PAST YEAR

We also encourage youth outside of our congregation as well. Last year we provided outreach to youth in our community through the presence of our Next Gen Ministry Director at off campus events including the Breakfast Club Ministry to Champlin Park High School and Fellowship of Christian Athletes.

Our youth engage in Bible Study and prayer, find ways to serve others in the community, and search for ways to follow Jesus Christ in their daily lives. Adults who serve with them as faith guides and chaperones for serving events find meaning and fulfillment by walking along with our young people on life's journey.

THE COMING YEAR

There is more to do as we together build our Youth Ministry. In the coming year we will organize two major initiatives. A mission trip for those in Junior High will help them see God through service. Our Senior High youth will join with tens of thousands of others as they experience God in powerful ways at the National Youth Gathering in New Orleans.

Youth Ministry is a ministry of the church, and of our church, of our young people. The call to discipleship, to reaching out with the Gospel, to being stewards is a call to our young people too – now, in this time and place.

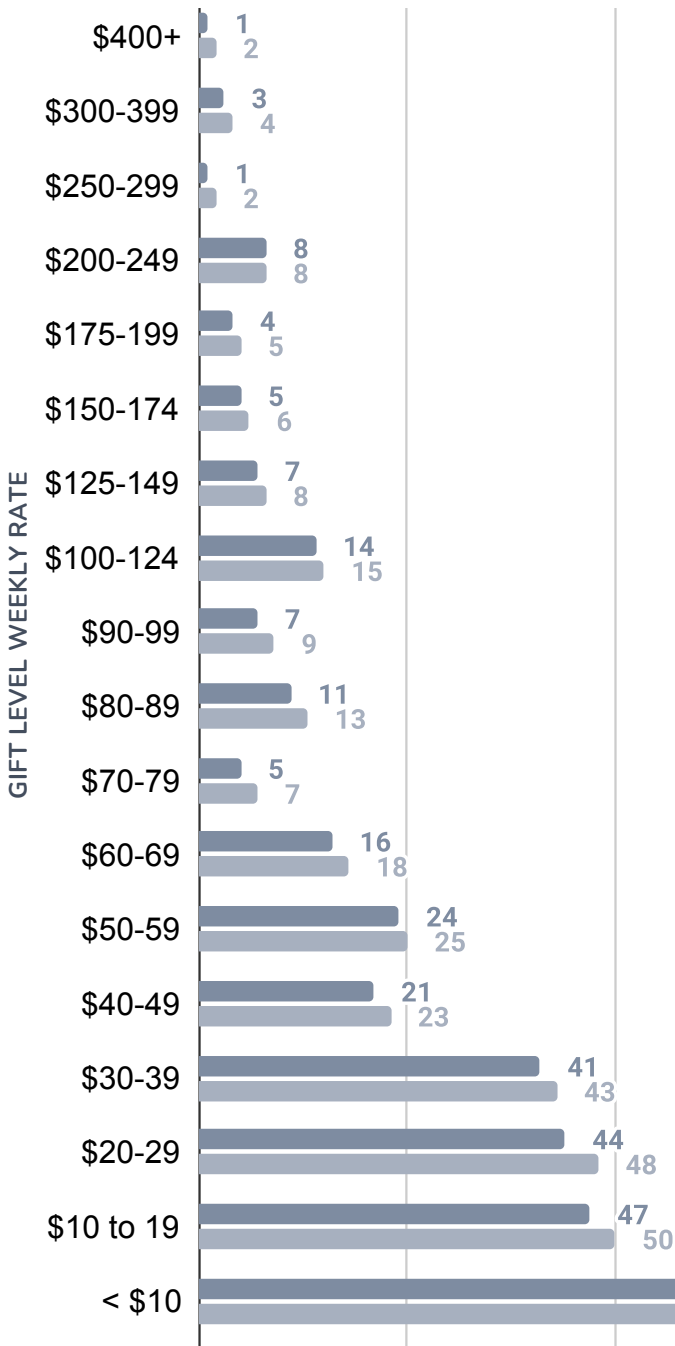

Let's covenant together to provide the financial resources needed to keep our youth ministry vibrant and effective. **One focus of our LifeTogether 2024 Stewardship Appeal now underway is to gather enough increased offerings to continue to fully fund our Youth Ministry.**

The goal of our LifeTogether 2024 Stewardship Appeal is to increase gifts and offering by \$90,000. Pray for a generous response and please prayerfully consider increasing your gift for the coming year. With your help we'll not only say we cherish our youth, we will show it.

Take a moment to review the chart, and ask yourself these questions:

- “How does my giving level compare with other ways I use my money?”
- “How adequately does my giving reflect my gratitude to God for all the blessings I receive?”
- “Where would I be on the chart if I doubled my giving? And can I consider doing that?”
- “How much more could I give if I really wanted to?”
