2024 STEWARDSHIP APPEAL

# INVESTING IN CHILDREN

Servant of Christ Lutheran Church

Here at Servant of Christ Lutheran Church we care about young people, we show we care through all of the opportunities we offer. We're investing in children.

## THE PAST YEAR

The foundation of our Children's Ministry is Bible Study, prayer and searching for ways to follow Jesus Christ in their daily lives. Adults who serve with them as faith guides are finding meaning and fulfillment by walking along with our young people on life's journey.

The Children's Choir enjoys learning to sing the stories of faith as they rehearse weekly between the 9&10:30 worship services and share their musical offerings with the congregation in worship.

Last year, we hosted a Good Friday Family Education Event geared towards children and their families. Children and adults were able to learn together about the events of Holy Week and also make projects to take home and encourage their faith walk together.

Also, several Parent's Night Out Events happened that allowed parents a chance to connect and renew while children enjoy activities and relationships at church to pass along the faith from generation to generation.

## THE COMING YEAR

**Let's covenant together to provide the financial resources needed to keep our Children's Ministry vibrant and effective and fully staffed.**

In the coming year we will reach out to families with young children by hosting Diaper's and Donuts events so parents of infants and toddlers can get to know each other and share the joys and struggles of parenting while building spiritual friendships.

The goal of our Life Together 2024 Stewardship Appeal is to increase gifts and offerings by \$90,000. Pray for a generous response and please prayerfully consider increasing your gift for the coming year. With your help we'll not only say we care about children, we'll keep on investing in them.

# OF CURRENT GIVERS >> 360

Take a moment to review the chart, and ask yourself these questions:

- *“How does my giving level compare with other ways I use my money?”*
- *“How adequately does my giving reflect my gratitude to God for all the blessings I receive?”*
